NBC SPORTS LIVE EXTRA - MOBILE APP - GLOBAL FILTER

Give the user the ability to 'shop' for their favorite sport/event/country, and athlete right from the moment the launch the application. All filtering options are now consolidated inside the 'Gear'. When user tap on the icon, they will evoke a global navigation that includes a robust filtering function that lets the user easily customize their experience.

NBC SPORTS LIVE EXTRA - MOBILE APP - GLOBAL FILTER FLOW CHART

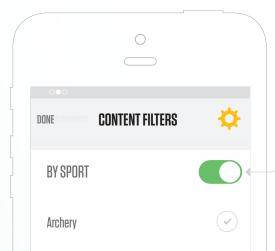

SETTINGS

1

This function will always be available for the users, always on top allowing easy access to filtering options and other app functions.
